## Introduction / Chapter 1

### INTRODUCTION

#### Purpose and Scope

This edition of the *Voting Assistance Guide* is designed to help the following persons participate in U.S. primary and general elections during 2004 and 2005 even though they may not be able to vote in person at the polls:

- Members of the U.S. Uniformed Services, which includes the Army, Navy, Air Force, Marine Corps, Coast Guard, and the Commissioned Corps of the Public Health Service and the National Oceanic and Atmospheric Administration;
- Members of the U.S. merchant marine;
- Family members of the above;
- U.S. Citizens residing outside the U.S.

#### Sources of Assistance

Absentee voting information in this *Guide* is current through September 2003. Procedures or primary election dates that change after publication will be updated through the Federal Voting Assistance Program's (FVAP) World Wide Web site at [www.fvap.gov](http://www.fvap.gov) as they are received.

These changes are also disseminated by voting news releases distributed to voting assistance personnel in all Federal government departments and agencies with voting assistance programs. The same channels are used to disseminate information about special and other elections.

In addition, the Voting Information Center (VIC) provides a 24 hour recorded service with information on current and upcoming elections, recorded messages from incumbent U.S. Senators, U.S. Representatives, State Governors and State Chief Election Officials. Approximately thirty days prior to an election, messages from Congressional and gubernatorial candidates are also available. The VIC telephone numbers are (800) 438-8683, (703) 588-1343 or DSN 425-1343. The VIC can also be called toll-free from overseas on any of the numbers listed on the inside back cover.

Each Military Department, the Coast Guard, and the Department of State has a Voting Action Officer to assist installation and unit Voting Assistance Officers and Embassy/Consulate Voting Assistance Officers with any questions or problems they may have concerning voting. The information below will help you contact your Service Voting Action Officer.

### CHAPTER ONE

#### THE FEDERAL VOTING ASSISTANCE PROGRAM

#### 1. The Federal Voting Assistance Program (FVAP) at Work

The Director, Federal Voting Assistance Program (FVAP), in the Department of Defense, is responsible for administering the *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* on behalf of the Secretary of Defense who is the Presidential designee for the Federal functions of the law.

Specifically, the mission of the FVAP is to:

- inform and educate U.S. citizens worldwide of their right to vote,
- foster voting participation,
- protect the integrity of, and enhance, the electoral process at the Federal, state and local levels.

In carrying out the responsibilities of the *UOCAVA*, the FVAP provides information and materials to these citizens to help ensure their enfranchisement and promote understanding and participation in the democratic process. Program activities range from the development of the universal Federal Post Card Application (FPCA or SF 76) which is accepted by all 55 U.S. states and territories and serves as simultaneous application for voter registration and/or an absentee ballot; to the production and worldwide distribution of print, broadcast and electronic voter education and information services; to developing and maintaining a working relationship with U.S. states, territories and other Federal government agencies to simplify the registration and absentee voting processes.

Further details on the *UOCAVA* are in Chapter 2 and the complete text of the *Act* is located in *Appendix D*. The *UOCAVA* covers over six million potential voters worldwide.

#### 3. Online/E-mail Assistance from the FVAP

The Federal Voting Assistance Program's (FVAP) website at [www.fvap.gov](http://www.fvap.gov) provides voting related information and resources for *UOCAVA* citizens. In order to maximize the use of the Internet, the FVAP's main objective is to provide as much current information on-line as possible to help increase the knowledge of *UOCAVA* citizens so that they may be able to participate in the democratic process.

The website also provides downloadable forms and all of the FVAP's informational materials in electronic format to include this *Voting Assistance Guide*, current and back-issues of the *Voting Information News* newsletter and voting news releases as well as links to Federal government agencies and Congress, various U.S. citizen organizations overseas, Secretaries of State/Directors of Elections, state and local government organizations and other pertinent sites containing election information.

E-mail access to the FVAP staff is provided directly through [vote@fvap.ncr.gov](mailto:vote@fvap.ncr.gov).

The World Wide Web and the Internet are the most effective and efficient ways to disseminate information as they allow citizens to be supported on a real-time basis regardless of their geographic location.

#### 2. Helping U.S. Citizens to Vote

The Federal government has assisted certain absentee voters since 1942. The *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* requires that the states and territories allow certain groups of citizens to register and vote absentee in elections for Federal offices. In addition, many states and territories have developed their own laws allowing citizens covered by the *UOCAVA* to register and vote absentee in state and local elections as well.

U.S. citizens covered by the *UOCAVA* include:

- Members of the U.S. Uniformed Services (on active duty) and merchant marine
- Their family members
- U.S. citizens residing outside the U.S.

#### 4. The Important Role of the Voting Assistance Officer (VAO)

The *UOCAVA* requires each Federal department and agency with personnel covered by the *UOCAVA* to have a voting assistance program. Department of Defense Directive 1000.4 and the Secretary of Defense's biennial Voting Action Plan establish policy and guidelines for carrying out an effective voting assistance program.

Voting Assistance Officers (VAOs) are critical to the success of these programs. These individuals, both military and civilian, are responsible for providing accurate nonpartisan voting information and assistance to all of the citizens that they are appointed or volunteered to help. They

##### 1. The *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)*

*UOCAVA* allows certain U.S. citizens to vote absentee. The *UOCAVA* applies to:

- Members of the U.S. Uniformed Services (on active duty) and merchant marine,
- Their family members, and
- U.S. citizens residing outside the U.S.

Members of the U.S. Uniformed Services or merchant marine and their family members may vote absentee while away from their place of voting residence, wherever stationed, inside or outside the United States.

The *UOCAVA* also applies to U.S. citizens residing outside the United States and its territories. These citizens may vote in the state or territory where they last resided immediately prior to departing the United States, even if many years have elapsed and the citizen maintains no residence in the state or territory and the intent to return to that state or territory may not be certain. Many states and territories permit these citizens to vote in elections for Federal offices only, although some states will send a ballot containing local and state offices as well.

The *UOCAVA* provides that voting for Federal offices shall not affect the determination of the voter's place of residence for purposes of any tax imposed under Federal, state or local law. Liability for state income tax, however, may be incurred in some states by voting absentee in state or local elections. To assess the probability of incurring state taxes on income earned outside the United States, see *Appendix E* and consult legal counsel for details.

The Federal Voting Assistance Program (FVAP) encourages citizens to bring problems encountered in the voting process to the attention of the Embassy or Consulate Voting Assistance Officers. If a problem cannot be resolved locally, then contact the FVAP.

A complete text of the *UOCAVA* is in *Appendix D*.

##### 2. The Absentee Voting Process

The absentee voting process permits citizens covered by the *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)*, who will be away from their local polling places on election day, to vote through the mail or an

#### Application Instructions

Circled letters on the form above correspond to the instructions below. **You must complete all shaded areas.**

**A** You are requested to fill out this box. This data is requested from some states by the Department of Justice in their enforcement of the Voting Rights Act and the National Voter Registration Act. Enter the choice that best describes you from the following list: A = American Indian or Alaskan Native; AP = Asian or Pacific Islander not Native Hawaiian; B = Black, not of Hispanic Origin; H = Hispanic; M = Multi-racial; NH = Native Hawaiian; W = White, not of Hispanic Origin; O = Other.

**B** The last four digits of your Social Security number OR your Alabama Driver's License number is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.

**C** Do not leave blank. Enter not applicable if not applicable or if you are a first time voter.

**D** Provide the complete street address of your Alabama voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway \_\_\_\_\_, 2 miles past Highway \_\_\_\_\_, across the street from the \_\_\_\_\_ gas station."

**E** Print the complete address where you want your ballot sent - usually your current mailing address.

**F** If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections.

**G** Check ONE box.

**H** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

## Chapter 3: Uniformed Services

Alabama

2004-05 Voting Assistance Guide

### I. UNIFORMED SERVICES

#### A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Alabama and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

#### B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

To register and apply for an absentee ballot, send a completed FPCA to the Board of Registrars so that it arrives not later than 10 days before the election.

If you are registered and only wish to request an absentee ballot, send a completed FPCA to the absentee election manager so that it arrives not less than five days before the election.

#### C. Casting Your Vote

**Ballot Return Deadline:** Voted ballot must arrive by 5:00 p.m. on the day prior to the election.

Local absentee election managers begin mailing ballots 40 days before an election.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 12.

#### D. Notary/Witness Requirements

FPCA: No notary or witness required.

**Ballot Return Envelope:** The absentee ballot return envelope contains an affidavit which must be sworn to before a commissioned officer, notary or other person authorized to administer oaths, or two witnesses (18 years or older).

#### E. Electronic Transmission of FPCAs and Ballots

Alabama does not allow electronic transmission of the FPCA, the blank absentee ballot or the voted absentee ballot.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

### II. CIVILIANS OUTSIDE U.S.

#### A. Who Can Do It

These procedures apply to persons who are U.S. citizens and residents of Alabama, or overseas electors. The term "overseas elector" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Alabama.

- persons employed or studying outside the U.S. (for local, state and Federal office ballots)
- spouses and dependents of the above (for local, state and Federal office ballots)
- overseas electors (for Federal office ballots only)

#### B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

To register and apply for an absentee ballot, send a completed FPCA to the Board of Registrars so that it arrives not later than 10 days before the election.

If you are registered and only wish to request an absentee ballot, send a completed FPCA to the absentee election manager so that it arrives not less than five days before the election.

#### C. Casting Your Vote

**Ballot Return Deadline:** Voted ballot must arrive by 5:00 p.m. on the day prior to the election.

Local absentee election managers begin mailing ballots 40 days before an election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 12.

#### DEFINITIONS

#### TAXATION OF MILITARY PERSONNEL AND OVERSEAS CITIZENS RESIDING OUTSIDE OF THE UNITED STATES

Under the laws of the fifty states and the District of Columbia, an individual who is domiciled within the United States is subject to the tax laws of that state. The law of states provides that an individual who is domiciled within the United States is subject to the tax laws of that state. Section 911 of the Internal Revenue Code (IRC) permits United States citizens who reside abroad to exclude from their gross income up to \$80,000 of foreign earned income in tax year 2003 and a certain recognized amount for housing. This exclusion applies to taxpayers living abroad who were present in a foreign country or countries for 330 days out of any 12 consecutive months. The housing cost amount is the excess of the taxpayer's expenses over a base housing amount. The base housing amount is equal to 16 percent of the salary of a GS-14 government employee. As of January 1, 2003, this salary is \$72,381 so that the current base housing amount would be \$11,580.96. Housing costs provided by an employer may also be excluded from the gross income of the employee. In line with this, IRC § 119 provides that lodging furnished in an overseas camp may be excluded from the employee's income. It should be noted that neither exclusion is applicable to wages paid by the United States government even if the Federal employee is residing abroad.

Most states, and the District of Columbia, have signed agreements with the Treasury Department which provide for the withholding of state income taxes from the pay of service members. The text of the standard agreement may be found at 31 CFR § 215.6 - 13 (2001). The following states do not have standard agreements with the Treasury Department to withhold state income taxes from the pay of members of the armed services: Alaska, Florida, Nevada, South Dakota, Texas, Washington, and Wyoming.

The information contained in this report is accurate through the end of the 2002 legislative session of each state.

**SPECIFIC INSTRUCTIONS FOR COMPLETION (Continued)**

**6. YOUR FAX NUMBER (Continued) (Information).** You must fax this form ONLY to one of the following numbers: (800) 368-8983 or (703) 693-6627 or DDI (Military) 223-6627. If your state does NOT allow you to submit this form by fax, DO NOT transmit the form by fax, as it will not be processed.

**8. POLITICAL PARTY AFFILIATION.** This information is required by most states in order to vote in primary elections. In most states, if you do not complete this section, you will not be sent a ballot for primary elections. Consult your individual state section in the Voting Assistance Guide for more specific information regarding your state's policy. Political party affiliation is not required if you live in Alaska (unless you are voting in a Republican party primary), American Samoa, Guam, Hawaii, Idaho, Michigan, Minnesota, Montana, North Dakota, Vermont, Washington or Wisconsin, in order to vote in a primary election. You need not complete this section if your voting residence is in those states. If you want to indicate no affiliation or enrollment in a political party, write "unaffiliated."

**7. REMARKS.** Provide any information which may assist local election officials in approving the application, such as maiden name, name and telephone number of a local contact person, etc. If you are requesting the special state written ballot, indicate here the reason you are requesting the special state written ballot, i.e., you are in an isolated area with sporadic mail service, submarine duty, etc. In Colorado, you must indicate if you are a native born or naturalized citizen of the United States.

**9. AFFIRMATION BY APPLICANT.** Place an X in only one block: (a, b, c, or d). In most states, marking a, b, or c will get you a full ballot. Marking b, or generally means that at some future time you intend to reside again in that state. Marking block d, generally means that you were a resident of the state before departing the U.S., and your intent to return at some time in the future is uncertain. Marking block d, despite a Federal ballot only (if one is printed by the state). Federal law provides that no tax liability may be imposed based on exercising your right to vote in Federal elections. If you are a civilian citizen residing outside the U.S. and wish to avoid classifying yourself as a state resident for tax purposes, you should mark block d. If the state sends a full ballot because it does not print a separate Federal ballot, you may vote the full ballot.

### INSTRUCTIONS TO ELECTION OFFICIALS

This is an official Federal Write-In Absentee Ballot (FWAB) authorized by 42 USC 1973 H-2.

1. Upon receipt of this ballot, examine the voter's declarations. If it appears that the voter is eligible to vote in your jurisdiction and has applied in a timely fashion for a regular absentee ballot, or this requirement has been waived by appropriate authority, then this ballot is valid unless you receive the voted regular absentee ballot in time for it to be counted. This ballot should be handled in the same manner as required by state law for other absentee ballots. If this ballot is to be counted, deposit the voted ballot in the ballot box without examining the voter's choices.

2. The oath on this ballot is self-executing and need not be notarized or witnessed, unless required by state law.

3. Unless provided by law, or special provisions have been made, this ballot should not be counted if:

- a. It was submitted from within the United States (an APO/FPO address is considered outside the U.S.); or
- b. The voter's application for a regular absentee ballot was received by you less than 30 days prior to the election; or
- c. This voter's completed regular absentee ballot was received by you by the state deadline for receipt of absentee ballots; or
- d. This ballot is not received by the state deadline for receipt of voted absentee ballots.

## **VAO - Key To Voter Understanding Absentee Voting**

The FVAP provides U.S. citizens worldwide a broad range of non-partisan information and assistance to facilitate their participation in the democratic process - regardless of where they work or live. Critical to the success of these programs are the thousands of Uniformed Services Voting Assistance Officers (VAOs) and hundreds of U.S. Embassy and Consulate VAOs located around the globe. These individuals, in military or civilian life, are responsible for providing accurate, non-partisan voting information and assistance to those citizens attempting to exercise their Constitutional right to vote. In fact, the knowledge and effectiveness of a VAO, combined with a thoroughly implemented voting assistance plan, may very well determine whether a person will, or will not understand the procedures for absentee voting. The VAO is responsible for carrying out the FVAP mission, which consists of three distinct goals. These are to:

they need to have a thorough understanding of the election process, the resources available to them, knowledge of the voting materials used, as well as the proper way of completing the Federal standard forms.

U.S. Embassy/Consulate VAOs are responsible for reaching out to U.S. citizens abroad. Examples of these are: Department of State personnel, military members in the compounds, Federal employees, U.S. organizations and businesses, and retired personnel.

U.S. Uniformed Service VAOs are responsible for reaching out to all unit members including eligible dependents. Uniformed Service VAOs stationed overseas may also provide assistance to Federal employees. Although VAOs stationed overseas are responsible for members in their unit, they may also provide assistance to U.S. citizens
